

ARROWHEAD PROFESSIONAL CHEFS
P.O. Box 16486, Duluth, MN 55816

OCTOBER 13TH. 2003

Elke O'Brien from Hormel brought in some products that her company handles. She brought in some Jalapeno bacon some marinated fresh pork loins that run about a 8# average and some fully cooked pork osso bucco it was a 9 oz. portion at about \$1.60 a serving 18 portions to a cs. it is a heat and serve product it was excellent. Thanks to Elke for the information on the new product lines.

The meeting was called to order shortly after the presentation by president Dan Flesch
The minutes were accepted
The treasures report was given by Paul and accepted.

OLD BUSINESS

Paul gave a report on the golf outing we had 16 ½ holes sponsored a big thank you to all the sponsors. The silent auction netted us \$3312.00 thanks to everyone that donated an item for the auction. We still had some monies out at the time of the meeting but when they come in we will have made \$6779.59 in profit. A very well run fundraiser for the club. A motion was made to pursue the golf outing again next year.

NEW BUSINESS

The Central Regional Conference is in the Chicago area this coming spring. Seeing that we did so well on the golf outing this is great time for some members that have never been to a Conference to partake in this one. The dates are March 31st. to April 4th. Keep an eye on the culinary Review for more details. Lets try to get more than a couple of members to attend. Remember the club will pay for your registration fee and traveling expense. No reason not to attend.

A motion was made and seconded that we as a club should pursue "Cooking is for Kids" again this year at the Hermantown Elementary School; we are looking into getting hats and aprons from the National Office. We usually do this in the last two weeks of January. So anyone interested in helping out with the teaching of the classes please contact a board member.

Death by Chocolate is just around the corner we will be pursuing this fundraiser again this year. It will be in the week of Valentines Day, more details to follow later. This is a good fundraiser for us so start thinking about items that you would like to do for this event.

Travis Johnson from SMDC says that the Regional Heart Center would like to hook up with the chefs club. They are willing to provide monies for club members to attend heart healthy conferences. He wasn't sure of all the details but he will pursue it further.

We will be doing a new membership drive again this year it will be held at the November meeting. So if you know of anyone that would like to join or that you think should join the club please invite them. We will also be doing a mailing again for this event. This would be a good meeting for all members to attend to welcome new perspective members.

The Minneapolis chapter will be holding the Regional Conference in the year 2006. We will be helping them out with a donation and chairing some committees. They are looking at having a meeting concerning the conference sometime in January or during the UP Show. If you can't make to any of the other conferences this would be the one to attend seeing that it is so close.

We would like to hold a Holiday/Awards banquet in December probably on the 7th. Which is a Sunday evening we would also hold a short meeting at that time and forego our December regular meeting. If any one is interested in hosting this event please contact one of the board members. We are looking for nominees for chef of the year and purveyor of the year again please contact a board member with your nominations.

We are also looking at having more educational venues at each meeting. In last months meeting I stated the Hibbing Technical College hade invited us up for a meeting in the spring and I wasn't sure which month it was. Well it will be in April.

NEXT MONTHS MEETING WILL BE NOVEMBER 10TH. AT 6:30 P.M. AT THE OFFICE LOCATED AT 34 W. SUPERIOR ST. ABOVE LIZZARDS GALLERY. Please make an effort to attend this meeting and show your support for the club and to new perspective members.
