

**ARROWHEAD PROFESSIONAL CHEFS MEETING
NEW OFFICE SPACE
HOSTED BY ALL MEMBERS**

A big thank you for all the members that supplied food for the meeting I am not going to mention them all because I will probably forget someone. All of you know who you are so thank you very much it was greatly appreciated. We had more food than we knew what to do with.

The meeting was called to order by President Dan Flesch. The secretary's report from last months meeting was accepted and so was the treasurer's report. We had no influx of monies coming in or going out so the balance is the same as last month. Remember if you want to know what the balance is come to the meetings.

OLD BUSINESS

Last months meeting we had someone from Duluth /Superior Community Foundation come in and talk to us about setting up a scholarship fund. You know the one where we put in \$25000.00 and they handle it for us by setting up the fund and managing our monies. There were some mixed feelings on this so Patrick Plys said he would come with a proposal to the next meeting. Patrick came with the report basically we would be in control of the account, we would be buying bonds over a period of time. The yield on a 30-year bond would be 6% we could put in as much as we wanted and the funds would be readily available to the club if needed there would be a 1% penalty for early withdrawal. The broker would make .70 for every \$1000.00 that we invested. The club was torn between the two proposals. Someone was going to contact the National Headquarters to see what other clubs around the nation were doing for scholarship funds. It was also mentioned that maybe we need to do a ballot on the choices and send it out to all club members and vote on it.

BLUE HERON SIGNATURE SERIES
