

**ARROWHEAD PROFESSIONAL CHEFS CLUB
HOSTED BY ALL MEMBERS AT OFFICE
APRIL 14 2003**

Mr. Watson from Native Game gave a presentation on a variety of items that his company carries.

The business meeting was called to order by president Dan Flesch

The last months minutes were accepted.

Paul Madsen gave the treasures report. Some checks were cut for the regional convention and the monies from Death By Chocolate and the Signature Series dinner were deposited. So we are ahead of last months report and looking stable with the May Brunch yet to occur.

Death By Chocolate: ARC cut the club a check for our share of the event we took in \$3377.00. All in all a very good event financially for us. Thanks to all that participated.

Signature Series Dinner: We had 31 paid tickets and 10 comps. We grossed \$2150.00 that includes the \$600.00 for the classes taught at the Blue Heron. With expenses we brought to our kitty \$1990.00. Thanks to Beth for holding the event and to all that taught the classes and helped with the dinner.

NEW BUSINESS

We will be holding a new membership drive after our next months meeting on May 12th. Beth will be heading this up she will be sending out invitations to perspective members and we will be holding an Hors d Oeuvre party for them. If member would like to see someone invited contact Beth so she may send them an invitation. She will be needing help with the appetizers so please lets all get behind this and pitch in. This is a chance to see our club grow.

Brunch will be held on Sunday May 4th. at the DECC it runs from 10:30 till 1:30 so if you haven't already given your items to Paul please do so. We will be handing out 2 scholarships at the event plus a check for \$750.00 to the food shelf.

Golf Outing September 22nd. at Northland C.C. we have paid a deposit of \$1000.00 to hold the event so we need to get plugging away and start getting commitments from companies to join in the event.

Patrick Plys has donated a computer to the office. Thank you Patrick.

Sandy has asked that the club donate 9 doz. hot dog and hamburger buns to the boys and girls club. It was voted on that we will give them the money for the cost of the buns.

Damiano center is looking for some soup bowls if you have any that you do not use anymore please call them and let them know.

It was voted on to give the Kids Café \$250.00 to help them move their herb garden. Paul said that the Owls club will match our contribution so that should give them enough money to move their garden.

Danny Brandt said the fundraiser at Marshall school will be held on Friday May 2nd. if anyone could help out it would be greatly appreciated. Donny does a lot for our club so lets get behind him and help him out. If you can help out you are to report to the school cafeteria around 4:30 on Friday May 2nd.

The Damiano Center is looking for guest chefs to help teach six classes.

What's up with the Brainerd chapter last month I stated that they have disbanded, now we hear that they may be getting back together again. And you wonder why they are called the outlaw chapter.

NEXT MONTHS BUSINESS MEETING MAY 12TH. WILL BE FROM 6:00 TILL 7:00 SO WE CAN ACCOMADATE THE PARTY FOR THE NEW MEMBERSHIP DRIVE STARTING AT 7:00 P.M.
