

**ARROWHEAD PROFESSIONAL CHEFS MEETING
HOSTED BY ALL MEMBERS AT OFFICE
MAY 12TH. 2003**

This months meeting started at 6:00 p.m. due to the fact that we were hosting a party for new members.

The secretary's report was accepted.

Paul gave the treasures report and we are well ahead of last month.

Paul gave a report on the success of the brunch held on Sunday May 4th. at the DECC. This years brunch was the most successful one that we have held. We served 432 people out of that we had 118 comps and 20 kids. We took in \$7355.00 and after expenses we made a profit of \$4452.00. Thank you to everyone that participated in making this years brunch a huge success. No scholarships were given out this year and a check for \$750.00 was given to the food shelf.

OLD BUSINESS

Dan and Glenn went to the Regional conference in Houston. Dan gave a report from the regional conference on the new certification process I don't know about anyone else but it sure sounded confusing to him so I don't dare write about it knowing that I will get it more confusing.

The golf outing is still set for Sept. 22nd. at Northland C.C. we still need hole sponsorships and items for the silent auction.

Speaking of the regional conference we once again received a bronze plate for are you really ACF great job to everyone that was involved in this. Next year lets go for silver or gold. The mpl. chapter received a gold plate this year we can't have them show us up. The mpl. Chapter also had a steady eddy award given to Bo Kolsack I am sure I butchered that name, our chapter also received a steady eddy award.

NEW BUSINESS

The Minneapolis chapter has put a bid in to host the 2006 Regional convention to be held in Minneapolis more than likely at the Hyatt. They would like all chapters from MN. to get involved in this venture. They would call it the Minnesota chapter of chefs as the hosts as opposed to just the Minneapolis chapter. They are looking for some commitment of monies and to chair some committees from each of the chapters They would like to get the board members from each chapter together on a quarterly basis to discuss this venture.

There is also a new chapter forming in the Marshall area. There has been talk about getting the chapters together in Marshall to welcome this new chapter.
