

ARROWHEAD PROFESSIONAL CHEFS MEETING
JUNE 9TH. 2003
HOSTED BY CLUB MEMBERS
OFFICE SPACE

The meeting was called to order by el Presidente Dan
The minutes from last months meeting were accepted
Paul gave the treasurers report, after all the expense from the regional conference and the brunch we are down from last month but still very healthy heading into the summer.

There was a very light turn out for the last meeting of the year. So for all those that failed to attend you missed out on a wonderful dinner.

Paul and Dan are looking at finalizing our corporate paperwork to make sure that everything is in order to maintain our non-profit status.
There sounds like there will be an all Minnesota chapter meeting in Marshall to welcome the new chapter. The date is set for June 29th.

The Golf outing is just around the corner September 22nd. We have about 10 holes already with sponsorship that is our break even mark. So any thing that we can sell over 10 holes is gravy. We still are looking for silent auction items.

The club voted to pay the way for 2 people that would like to attend the National convention in Washington D.C. at the end of July. Dan has show an interest in attending. If anyone else is interesting in attending contact Dan or Paul.

AND LAST BUT NOT LEAST TOM BENSON WILL BE HOLDING AN 8 HOUR SANITATION CLASS ON TUESDAY JUNE 24TH. FROM 8:00-5:00P.M. AT THE OFFICE SPACE LOCATED AT **34 E. SUPERIOR ST.** IF YOU ARE INTERESTED IN TAKING THIS CLASS YOU ARE ASKED TO **CONTACT TOM AT 721-3744**. WE ARE ASKING FOR A \$20.00 DEPOSIT TO BE REFUNDED WHEN YOU TAKE THE CLASS. THIS IS SO TOM MAY PURCHASE BOOKS AND THAT YOU WILL MAKE AN EFFORT TO SHOW UP ONCE YOU HAVE MADE THE COMMITMENT. THIS MAY BE THE LAST OPPURTUNITY TO TAKE ONE OF TOMS CLASSES BEFORE HE HEADS OUT TO THE BIG APPLE. SO IF YOU ARE INTEREST PLEASE CALL TOM. **721-3744**
Have a safe and wonderful summer and we will see you again starting in September.
