SEPTEMBER 8TH. 2003

The first meeting of the year was held at the office space. With the President absent from the meeting the board members jointly held the meeting.

Paul gave the treasurers report, we paid for another 6 months of rent and our balance is sitting at about the same as it was last year at this time. The only difference is we have the golf outing coming up in the next week that will increase our funds.

The first topic of discussion was the golf outing, which was held at Northland Country club on Monday September 22nd. At the time of the meeting we had 15 holes sponsored with the possibility of a few more coming in. I heard it was a big success thanks to Paul and Dan and everyone that was involved in this venture in making it a big success. Hopefully someone will give us a full report on this venture at our October meeting.

Victor Bagan from Hibbing Community College brought down four students to the meeting.

Victor said that the college would be doing nutrition on line in January. Victor and the college also have invited the club up for one of our monthly meetings I believe he said that April would work for him. If I am wrong on the month we will get it corrected at the next meeting. This would be a fun time for all those that wish to go. Maybe we would be able to rent a van and all drive up together.

Patrick Plys made a motion that he would like the club to donate \$250.00 to down syndrome "Buddy Walk" all the monies that they collect is used locally for education. The club voted to give the \$250.00 to the "Buddy Walk". These are the types of things that we need to do with our monies to help out the communities.

Paul met with the attorneys concerning our 501 C3 non-profit status. We fall under the educational category. We need to document everything that we do educationally. We also need to get letters from the associations that we give monies to so we can protect our status.

It was roughly discussed about doing the "Cooking is for Kids" again this year, it seemed that we had a few people interested in helping out with the teaching of the classes. We will bring this up at a later date. Keep this in mind we usually do this in the month of January we would need 6 instructors and 6 helpers, this is a fun time and the school really enjoys it.

We also talked about doing another new membership drive probably in November. We gained a couple of new members from the last drive we did in the spring. So if you know of anyone that maybe interested in joining the club please get their names and addresses and bring them to the next meeting so we can start planning.

The Regional conference this year will be held in the Chicago area this is close enough for a few more members to attend this event. Our kitty is sitting pretty well so we should be able to afford to send a few more members. If you have never been to a conference here is your chance to attend one. It is usually held around April.

Mike Tillman brought up the point that the office space is for all members so if you would like to use it I will leave a list of e-mail addresses of all the board members that you may contact to get a key.

Dan Flesch	dmf52@mshi.com
Paul Madsen	pmadsen@decc.org
Gary Baregi	gbaregi@grccorp.com
BethPertler	bpertler@zmchotels.com
Sandy Rosvall	chefsandy@charter.net
Mike Tillman	mtillman5@aol.com

**THE NEXT MEETING WILL BE HELD AT THE OFFICE ON OCTOBER 13TH. 2003
STARTING AT 6:30 P.M.**
