

ARROWHEAD PROFESSIONAL CHEFS
P.O. Box 16486, DULUTH, MN 55816

12-12-05

The December meeting was hosted by Travis Johnson at the Duluth Clinic.

Sara Lee Coffee & Tea provided us with a coffee cupping along with a slide show and lecture about how coffee is processed. This was a great educational opportunity and most of us who participated found it fascinating. Thank you to Wayne Knuth and the rest of the Sara Lee gang for making this happen.

The meeting was called to order by President Dan Flesch at 7:50pm. Chef Paul gave the treasurers report, which was accepted.

Old Business

We have decided not to participate in the Blue Heron cooking classes this spring because of other functions that we are participating in.

The Death By Chocolate fundraiser will be held at the Holiday Inn this year. We are looking for people to participate, as well as provide recipes for the Death By Chocolate Cookbook, which ARC Northland will publish and sell. The Chef's club will receive proceeds from the book sales.

New Business

The Spring Brunch is tentatively scheduled for Sunday, March 12, 2006.

Central Regional Conference will be held in Minneapolis March 29-April 2, 2006. Mark your calendars. We would like to have good representation from the Arrowhead Professional Chefs.

The next meeting will be held Monday, January 9th, at the Holiday Inn in downtown Duluth at 6:00 pm.
