## January Meeting Minutes

Thanks to Gary and Grandma's for hosting the meeting.

Death by Chocolate is what the next meeting is about, everyone participating needs to bring there chocolate for the boxes which will be packed for the event on Tuesday. It was a very poor showing on our part to get people to make this event happen.

The next event is the Chef Club Brunch which is the end of March. (Sunday the 30<sup>th</sup>) We need to have people help and make food. Please sign up, if you can help at all.

Any ideas for education to add to the meetings would be more than welcome, talk to your reps and let's get something going.

The next meeting is at the Radisson downtown, Monday, Feb. 11th at 6pm, see you there.

Thanks Chris
