

ARROWHEAD PROFESSIONAL CHEFS
P.O. Box 16486, DULUTH, MN 55816

Monday, June 13 2005

The June meeting was hosted by Patrick and Heather Moore at their Twin Gables Restaurant, in Brule, WI. Patrick and Heather graciously fed us a great meal, fine beverages and a truly "out of this world" dessert. They also lined up a few industry related guests for us to meet and network with. Representatives from Halverson Fisheries (specializing in Whitefish), Flyaway Lamb Farms (a Madeline Island organic lamb producer), Roode Foods (organic vegetable dude), North Bay Trading Company (unbelievable Wild Rice), Silver Sage Farms (Flowers and Herbs). Thank you Patrick and Heather for your gracious hospitality and hard work hosting this meeting.

President Dan Flesch called the meeting to order at 7:10 pm.

Paul gave the treasurer's report, that report was accepted.

Glenn D'amour reminded us that there will be scholarships available for the fall brunch. If you know anybody who could benefit from a scholarship, please advise them to check the website for a scholarship application.

Old Business

The 148th fighter wing in Duluth is dedicating a new building this summer. The Club has agreed to provide food for this event. It would be a BBQ for about 1000 people, on the base. We are waiting to learn more details about this event. Stay tuned!

The Golf Outing is scheduled for September 19, 2005 at Northland County Cub. We are trying to rally support from club members to help sell the last few sponsorships available. If you know of any companies that you feel would be interested in supporting the club through this event, please share this information with them. Sponsorship packets are available online at www.acfarrowheadchefs.com

The Al Dumancas Memorial Brunch will be held November 13, 2005 at the DECC.

The next meeting will be held September 12, 2005 at the DECC
