

ARROWHEAD PROFESSIONAL CHEFS
P.O. Box 16486, Duluth, MN 55816

June 2006

The June meeting was held at the College of St. Scholastica and hosted by Jack Teske and Mike Tillmann. The food and setting were great! Thank you to Jack and Mike for having all the great hospitality.

David Clanaugh from C.H.U.M. spoke about CHUM's Rhubarb Festival. It is a fundraiser for his organization, and has gained a lot of popularity in a short time. The club agreed that we would like to get involved for next years event.

The club agreed to reimburse Patrick Plys for his expenses for the cooking for kids program that he did at a local elementary school. The club also agreed to make an effort to get its members more involved with this cause. Patrick will bring forward a plan on how we can all get involved.

The ballots were counted and the board members have been selected, they are as follows:

President-	Gary Baregi
Vice President-	Glenn D'amour
Treasurer-	Paul Madsen
Secretary-	Chris Callender
Alternate-	Dan Flesch
Alternate-	Travis Johnson

We are pleased to welcome Chef Nicholas Colletti to the Arrowhead Chefs. Nicholas is the new Executive Chef at Savories. He has deep family roots in the foodservice industry as well as the ACF.

The Golf Outing has been cancelled due to a change in the construction schedule at Northland Country Club. We will plan to do it again in '07.

In lieu of not doing the golf outing the board of directors has decided to get involved in another event in September to help raise funds for the club. We will be doing fundraising dinner at the Lakeshore Lutheran Home on 40th Ave East and London Road on Tuesday, September 12. There will be a social hour with hors 'doeuvres followed by a 3 course sitdown meal. There is an estimation that there will be 80 guests. This event has the potential to be an excellent source of funds for the club, please mark this date on your calendars and get all the details at the next Chef's club meeting.

The September Chef's Club meeting will be held at Grandma's Restaurant in Canal Park at 6 pm on Tuesday, September 5, 2006. Any questions regarding the meeting can be directed to Travis at 218-343-1402.
