From Arlene:

April Meeting will be packed with excitement as we tour NORTHERN WATERS SMOKEHAUS and meet owner Eric Goerdts as he shows us his new venture of cured meats and other delights he produces in his modern smoking operation tucked under the Dewitt Seitz Marketplace. We will meet at Grandmas Saloon and Grill in the Sandbar at 6:00 pm. and then walk over to the smokehouse for a tour. We will go back to the Sandbar after the tour for a short business meeting. Don't miss this local treasure that will be soon featured on the Food Network's Diners, Drive inn's and Dives show.

Also, Save the date for the May meeting of May 10th when we will have the State of MN Health Dept. give us an update on the changes coming to the MN food code that will affect everyone. You won't want to miss this meeting and bring other chefs along to this informative session.

From Gary:

When you send out the reminder for the upcoming meeting could you include that we need to appoint a new board this year by June. So, please come with nominations. I have a ballot that they can fill out available at the meeting. I will be in and out of the meeting I have open interviews that night here. And also send out a thank you to all that helped out with the brunch, it looks like it was a big success again this year.
