### **NEW BUSINESS**

The 2006 Central Regional ACF Conference will be held in the Twin Cities. Our Club has made a financial contribution to that cause. We anticipate that we will get that money back after the 2006 conference is completed. We are also hoping that our members will go down to that conference, and help to facilitate that conference in conjunction with the other Minnesota chapters.

Rent for the office space is paid through the end of May, at that time we will vacate the office, and go back to having meetings hosted by members at their properties.

The Spring Brunch is just around the corner. Please contact Chef Paul at the DECC, at 722-5573 ext 297, to let him know what you are going to be preparing. It is very important that he knows this information so that the DECC staff can plan accordingly.

### **OLD BUSINESS**

The "Death by Chocolate" event went well, and everyone who participated had a great time. The event was well organized, it was a financial success and the turnout was great! Thanks again to all who participated.

At the time of this mailing the Julia Childs Tribute Dinner has come and gone. The Dinner was a great success, and a lot of fun. Thank you to all who participated in the event, and a special thank you to Beth and all the Savories staff for hosting this event, they did a wonderful job!
