### **Old Business**

If you have pictures of any Arrowhead Professional Chef functions, send them electronically to David Mobley, he will put them on the website. Dave can be reached at [dbmobley@charter.net](mailto:dbmobley@charter.net).

Dave Mobley has also been working very hard to coordinate efforts to have a local job search function available to our members and sponsors. This function will be available by Mid-May. Owner operators who are members of our club and sponsors of our club will be able to post Food-related job openings on our site. The club will periodically run ads in local newspaper and network with other recruiting agencies to steer jobseekers in our community to use this feature on our site. So if you have jobs you would like to post, contact Dan Flesch at [dan.flesch@hiduluth.com](mailto:dan.flesch@hiduluth.com) , or Dave Mobley for more information.
