\$250.00 donation for Brad,s culinary teams, Good Luck!!

Brunch- March 28th(Sunday)

Thanks, See ya all on Monday,

Chris

---

From Arlene:

This meeting we finagled an invitation to the First Year Culinary Arts Restaurant Final on January 11th. Students from the course at Proctor High School will be opening a “one night only” restaurant. Over the course of the past 4 months the students have been learning the different aspects of the restaurant business and now it’s time to put it to use.

The Culinary Arts class will be divided into 2 teams, front of the house and back of the house. Then they will switch. Each group will be creating a unique menu and restaurant based on topics they have discussed in class. This is a chance to get a glimpse into the future to see our local talent in action. Chef member Brad Vieths will be in charge of the program, so let’s get out and show some support for him and his program.

Meeting, Monday January 11<sup>th</sup>, 6:00 pm.

We will either have a large table for our group or a separate room.

Directions:

Take Hwy 2 West into Proctor.

Turn Left on 1st St . (It is the first left right past the golf course) You will see the PACC ( Proctor Area Community Center ).
