**March Meeting- Everybody gets the night off**

**We will give our chef members a break this month and a big thank you for all of the hard work everyone has been putting in to make our fund raising a success. This month we will have our meeting at the Thirsty Pagan Brewery. Join us for a beer tasting to learn about the different styles of beers that are crafted at this popular microbrewery. The Arrowhead professional Chef's Association will buy dinner (pizza) and drinks are on your own. Bring ideas for the brunch as well, because this will be the only planning meeting we will have before the brunch-**

**Date: Monday March 8<sup>th</sup>**

**Time: 6:00 p.m.**

**Location: Thirsty Pagan Brewery 1623 Broadway, Superior (across from Kari Toyota)**

---

**The Proctor Culinary team and Restaurant Design team will be competing down at the Prostart State competition on March 5th. I would recommend anybody in the food industry to head down and watch it. It is amazing to watch 100 budding chefs and hospitality managers showcasing their knowledge.**

**The Proctor Culinary Team has prepared a 3 course dinner consisting of: Winter Snow Crab Salad, Twin Pork Medallions, and a fresh almond Ice Cream with a Blood Orange Caramel sauce. They have also had to design a full food-costing, recipe development, and menu preparation in addition to their ability to cook the full meal in 60 minutes from start to finish.**

**The Restaurant Team has designed an amazing neighborhood bar that fits the Duluth mold well. It is called Allstars Sports Bar & Grill. It is a classic American service restaurant that provides support for a community sports area much like the new West Duluth Heritage Sports complex and Wheeler fields. The interior is an amazing design--even I am impressed-- and they have focused on supporting local sports and clubs in the community.**

**Come check out both March 5th down at SYSCO MN headquarters.**
