

ARROWHEAD PROFESSIONAL CHEFS
P.O. Box 16486, Duluth, MN 55816

January 9, 2005

The meeting was held at the Holiday Inn, hosted by Dan Flesch.

Dan called the meeting to order.

Debbie Hannu, an art teacher from the Duluth area, gave a talk and presentation on edible art projects. It has been done by students, but they are trying to open it up to the people in the community, from art instructors to chefs. There would be a fee to enter the competition as well as an entrance fee for people to come in and view them. The proceeds will go to art programs in the Duluth area. The event would be held at the depot some time in May.

Paul gave the treasurer's report, and it was accepted, as were the minutes.

Glenn gave a report on the scholarship committee. We have voted to give Zachary Benson a scholarship, amount to be determined at a later date. Zachary is enrolled in a culinary program out east.

Dan talked about Death By Chocolate. Right now we have 10 people involved in this event. It will be held at the Holiday Inn on Monday, February 13th from 11:00 am – 2:00 pm. All those involved in this event should prepare 500 items for boxes, and an additional 500 items for the event. We will more than likely prepare the boxes Sunday evening before the event. More details at the next meeting.

The Annual brunch is scheduled for Sunday, March 12th at the DECC. Paul will have tickets available at the next meeting. Please bring the name of the dish/dishes your plan to prepare for this event. Paul needs to get them to the DECC Staff so they can make arrangements for signage.

The regional conference is scheduled for March 30th thru April 1st, 2006. January 31 is the deadline for early registration. The conference will be held at the Hyatt in Minneapolis. Rooms are available by contacting the Hyatt and ask for the ACF rate.

Thanks to Dan and his Sous Chef for the fine food.
Meeting was adjourned.

The next meeting will be held at Upper Lakes Food, in Cloquet, on Monday, February 6th at 6 pm. If you would like to carpool, or need a ride, contact Travis at 786-1050.
